Liz,

Thank you for providing this update. We would like to have documentation on what EPD means by the term “unreasonably” in their revised rule. We are happy to meet with you to discuss what is needed.

The DNR Board has approved our revisions to the narrative criteria. We plan to submit the adopted rule to the Secretary of State’s Office for certification, then the Attorney General’s Office and then EPA. Would you like meet to discuss the rule change? Thanks Liz
